Commissioner for Patents

The examiner notes the Board of Appeals has indicated claims 1-8, 10-11 and 26-27 as allowable. The examiner also notes that claims 12-25 which were restricted (06/14/06) were elected with traverse. However, no arguments set forth in the response were provided, since the elected claims are allowable, the examiner requests applicant to either cancel claims 12-25 or provide arguments pertaining to the similiarity/non-distinctness between the pending claims and withdrawn claims
